

ICV6-126/32T

INSTALLATION INSTRUCTIONS

IMPORTANT OPERATING INSTRUCTIONS

This device has been tested and found to comply with the limits for consumer ISM equipment pursuant to Part 18 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This device generates, uses and can radiate radio frequency energy and may cause harmful interference to radio communications in some installations. If this device does cause harmful interference to radio communications, which can be determined by turning the device off and on, the user is encouraged to try and correct the harmful interference by one or more of the following measures:

- Reorient or relocated the receiving antenna.
- Increase the separation between this device and the receiver.
- Connect this device to a circuit different from that to which the receiver is connected.
- Maintain maximum separation between the primary and secondary leads of this device in as much as possible.
- Consult the manufacturer or an experienced technician for assistance.

Cautions:

Changing the original wiring of this device may affect the RF interference.

Replace the ballast with the original manufacturer's ballast in the event that a ballast replacement is necessary.

PRODUCT GUARANTEE: Juno warrants to the first non-retail purchaser of any of its products that its products are free from defects in material and workmanship. In the event of any defect, Juno's sole obligation is expressly limited to repair or replacement, without charge, at Juno's factory after prior written return authorization has been granted. In no event shall Juno's obligation under this Warranty extend beyond the initial cost of the product and accordingly, any consequential damages arising out of a defect therein are expressly excluded. This Warranty shall not apply to products which have been altered, improperly used or repaired outside of Juno's factory nor shall it apply to defects for which written notice thereof is not received by Juno within two (2) years from the date of purchase.

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, AND WITHOUT EXCLUDING THE GENERALITY OF THE FOREGOING, EXCLUDES ANY IMPLIED WARRANTY OF MERCHANTABILITY. SPECIFICATIONS SUBJECT TO CHANGE WITHOUT NOTICE.
