

NRG RECESSED EMERGENCY GIMBAL

Navilite®

Product Features:

- Fully adjustable thermoplastic gimbal assembly
- PAR36 size lens and reflector assembly optimized for Emergency Lighting
- 6V 8W Bi-Pin Halogen lamp
- Integral test switch and AC ON LED
- Battery and electronics inside the housing
- 6" steel recessed housing with bar hangers

The NRG Emergency Gimbal is a recessed fixture designed to blend smoothly with the ceiling, providing emergency illumination with minimum disruption to the building's interior design. A Halogen lamp combined with a reflector and lens assembly provides powerful illumination for corridors and doorsteps; and the fully adjustable gimbal allows the user to aim the light beam precisely to meet the illumination requirements on the path of egress.
